The Cannonball Phoenix Spree is a road rally and scavenger hunt that starts Saturday morning from the Fort McDowell Casino. The rally winds its way through Payson, Sedona, and ultimately ends Flagstaff. Competitors have mandatory stops along the way. Cars by Lamborghini, Mercedes, Mustangs, Impalas, lifted trucks and more will be starting their journey to the high country Saturday morning.

The car show also included an exhibition from a Mitsubishi with an after-burning jet engine mounted in the hatch back area.

Grand Finale closing ceremonies in Flagstaff will include dinner, music, dancing and prizes for the competitors.

Friday's cruise in/party at the Fort McDowell Casino brought out Cannonball Phoenix Spree competitors for opening ceremonies, food & drink, a costume party and raffle.
